Dear Excavator:

In order to receive an Excavator License, please mail, email or drop off the following items to Louisburg City Hall:

- a completed application and survey
- copy of your current insurance
- \$25 fee

If you have any questions, please call 913-837-5811.

Remember to call Kansas One Call for locates at least two (2) full working business days before the planned start of your project. Saturday and Sunday do not count as part of the two full working days. A license is required for any individual or company that excavates within the corporate boundaries of the City of Louisburg. An excavator permit is required for use of any mechanical equipment, auger or boring machine other than a shovel. The excavator who is going to do the actual excavating is legally required to call for his own locates.

The City appreciates your efforts to minimize utility damage due to excavation activity in Louisburg.
