 - B. Approval of Minutes of the Regular Meeting December 16, 2019
 - C. Approval of the Bills
4. RECOGNITION OF SCHEDULED VISITOR
5. PUBLIC COMMENTS: Persons who wish to address the Mayor and City Council regarding items not on the agenda may do so at this time. Speakers will be limited to three (3) minutes. Any presentation is for informational purposes only.
6. DEPARTMENT REPORTS
7. CITY ATTORNEY'S REPORT
8. COUNCIL/COMMISSION REPORTS
9. MAYOR'S REPORT
10. ADMINISTRATOR'S REPORT
 - A. City Code Update - Continued
 - B. Leaf Burning
11. ADJOURNMENT

**CITY OF LOUISBURG, KANSAS
MINUTES OF REGULAR MEETING
DECEMBER 16, 2019**

The Council of the City of Louisburg, Kansas met at 6:30 p.m. in regular session in the City Hall Council Chambers. Mayor Marty Southard presiding.

Council Members Lee Baer, Steve Town, Thorvald McKiernan, Kalee Smith, Sandy Harris
City Administrator Nathan Law
Recording Secretary Jessica McGowin
City Attorney Kelly Stohs
Police Chief Tim Bauer
Fire Chief Gerald Rittinghouse
Communications Coordinator Jean Carder
Public Works Supervisor Craig Hufferd
Press
Visitors: Joyce Obermeier, Abrielle Decavele, Karen Richter

PLEDGE OF ALLEGIANCE

Councilmember Kalee Smith led the pledge of allegiance.

APPROVAL OF CONSENT AGENDA

Councilmember Sandy Harris moved, seconded by Councilmember Thorvald McKiernan and carried 5-0, to approve the consent agenda to include adoption of the agenda, approval of the December 2nd, 2019 minutes and bills list.

VISITORS

Joyce Obermeier voiced concern of having to replace her water filter in her new refrigerator. Joyce stated that she believes her water filter stopped working due to a water issue that the city had. The water was cloudy and discolored and she believes this caused her filter to go bad. She requested a credit of \$78 be applied to her utility bill for cost of replacement filter.

Councilmember Lee Baer asked Joyce if she would be interested in our SWIFT911 notification and she said she would be interested in getting those notifications through that application.

Abrielle Decavele asked the Council to consider other options for burning leaves at the brush dump. She stated that due to the location of the burn site in comparison to her home she has a constant smoke haze at her home. She stated that her family has had issues with breathing in the smoke. Karen Richter who also lives near the burn site voiced her concern with the smoke as well. The concerns included excessive leaf dumping, burning for multiple days at a time and harmful toxins that could be released in the air. Both asked for the site to be moved or for the burning of leaves to cease all together.

Councilmembers Lee Baer and Thorvald McKiearnan talked about a forced air incinerator to control smoke. Mr. McKiearnan stated that he thought the cost to purchase one would be between \$150,000 and \$160,000. Other options were discussed including recycling and mulching. Public Works Supervisor Craig Hufferd is checking into options and will report back to Council. Leaf burning is done for the season and would not resume until spring.

PUBLIC COMMENTS

None

DEPARTMENT REPORTS

Police Department: Police Chief Tim Bauer had the honor to present the newly promoted officers with a pinning ceremony. Sergeant David Sander was promoted to Lieutenant. Chief Tim Bauer stated that Lieutenant Sander has been with the Louisburg police department for 12 years and has served a total of 25 years in Law enforcement. Officer Jason Lindsay was promoted to Sergeant. Sergeant Lindsay has been with the Louisburg police department for 8 years and has served a total of 15 years in law enforcement. Officer Kevin Frasher was promoted to Sergeant. Sergeant Frasher has been with the Louisburg police department for 8 years and has served a total of 15 years in law enforcement. Chief Bauer identified each candidate's strengths and dedication in their positions in the department along with the pinning ceremony.

Fire Department: None

Public Works: None

Administration: None

CITY ATTORNEY'S REPORT

None

COUNCIL REPORTS

Councilmember Town: Councilmember Steve Town asked if it would be possible for city workers to plow Metcalf and 68 Highway. He acknowledged that it is a county maintained road but was concerned that they had not plowed it yet. City Administrator Nathan Law said it would not be an issue for us to do that. Public Works Supervisor Craig Hufferd noted City crews had already plowed the roadway and would do so again.

Councilmember Smith: None

Councilmember Baer: None

Councilmember Harris: Councilmember Sandy Harris revisited visitor Joyce Obermeyer's concern about her water filter to make sure she was aware of what was discussed. He asked her if she understood about SWIFT911 notification system, and understood it would be for notification for future events, not as a means to communicate a response from tonight's meeting, and she said she did.

Councilmember McKiernan: Councilmember Thorvald McKiernan asked City administrator Law about the Planning Commission's willingness to work on temporary signs as long as they receive specific recommendations from the Council. Mr. Law stated that the board seemed open to discussion and consideration on such matters.

MAYOR'S REPORT

Mayor Marty Southard read aloud the following businesses that applied for a CMB license through the City for the year of 2020. The businesses included:

Casey's	Phillips 66
Pizza Hut	Shell
Rand's BP	Price Chopper

Councilmember Smith moved, seconded by Councilmember Baer and carried 5-0, to approve the aforementioned businesses to obtain a CMB license for the year 2020 through the City of Louisburg.

Mayor Marty Southard spoke to the councilmembers about an appointment for the Louisburg Recreation Commission, noting these appointments fall outside for the timeframe for other City appointments. He stated that Brock Elliott's term was up and he recommended that Brock be re-appointed for a 4-year term. Councilmember Harris moved, seconded by Councilmember Town, and passed 5-0 to appoint Brock Elliott for a 4-year term on the LRC Board.

Mayor Southard advised the Council that other seats on various boards would be coming available in February and include the Planning Commission, Board of Zoning Appeals and Park and Tree Board. He asked these positions be advertised by staff and also asked all in the community to have any candidates interested contact him. City Administrator Law advised that those positions will be advertised.

ADMINISTRATOR'S REPORT

Louisburg City Code: City Administrator Law recommended to approve the updated Code as presented. Multiple City Staff have been working with Citycode Financial LLC and Ranson Financial Group LLC to update the City's Code. After a 3-year review Administrator Law stated that all recommended changes should have been made and he recommends Council to move forward with approval of the new Code. If approved now, any updates or additional changes can be made in the future. Mr. Law noted the outline of current changes for the councilmembers to review. Councilmember McKiernan stated it did not appear that all changes had been made as previously discussed and that he would like more time to review the document. Councilmembers Smith and Harris agreed they would like more time to review the document. Councilmember Harris moved, seconded by Councilmember McKiernan and passed 5-0 to revisit the City Code update at the next council meeting.

Councilmember Harris asked that all reference of Councilman be changed to Councilmember or Councilperson in the updated City Code. Mr. Law said in cases that would be possible, but in instances of charter ordinance wording that cannot be changed without doing so by separate charter ordinance.

Water update report: City Administrator Law discussed the issues that the city had with the recent cloudy, discolored water. Mr. Law explained the water

testing and results from the KDHE. Administrator Law also included in his report the communication efforts of the City in regards to non-emergency notifications. Councilmember Harris asked if the reports were available to the public via Facebook. Administrator Law advised the report is available on the website and the information was also posted to Facebook. Councilmember McKiernan asked if Mr. Law could provide a number of how much water was lost due to the hydrant flushing efforts. Administrator Law advised that with field estimating it is estimated more than 500,000 gallons have been flushed from the lines. Mr. Law also informed Council that we keep track of that water for our annual water loss report.

Councilmember McKiernan asked about the accuracy of the EMC sign estimate of \$85,000. Mr. Law stated that was a rough estimate determined by a price provided during the Planning Commission's EMC regulation review and the need to convert that sign to a monument sign as required by sign regulations.

Councilmember Smith asked about the SWIFT911 notification system. Utility clerk Jessica McGowin and communications coordinator Jean Carder stated information on signing up has been included in past newsletters, directly on the utility bills, the website and Facebook. It was agreed to continue to advertise the notification system.

City Administrator Law proposed an ordinance to offset possible increased water consumption due to the recent water issue when calculating winter average consumption for 2020 sewer rates. There was concern that many residents may have elected to flush out private lines in their home, possibly resulting in higher than normal water consumption. Moving the winter average months by 1 month would eliminate that higher usage from being used to average sewer rates, he said. It was recommended by Administrator Law to approve the attached ordinance to adjust the timeframe for calculating winter average use of water and effective timeframe for 2020-2021 sewer rates. Councilmember McKiernan moved, seconded by Councilmember Smith and passed 5-0 to approve the ordinance for winter average sewer consumption 2020-2021.

NEW HIRE: City Administrator along with Public Works Supervisor Craig Hufferd recommended Council approve the hire of Benjamin Miller as a new Public Service Worker Level 1 at a pay scale grade of 2-3C. Councilmember Town moved, seconded by Councilmember Baer and passed 5-0 to hire Benjamin Miller as Public Works Worker Level 1.

EXECUTIVE SESSION

Councilmember Steve Town moved, seconded by Councilmember Lee Baer and passed 5-0 to move into executive session from 10 minutes, starting at 7:16 p.m. and ending at 7:26 p.m. to discuss employee relations and negotiations.

REGULAR SESSION

Mayor Marty Southard called the meeting back to order at 7:27 p.m.

Administrator Law recommended Council approve a 3% cost of living adjustment along with 3% merit raise based on performance as determined by department heads. Councilmember McKiearnan stated that he did not think staff should be awarded a merit raise. He stated that employees should not be paid extra to do their jobs. Councilmember Smith agreed that they don't typically see raises like this in their personal jobs and did not think it was necessary for City staff to receive a merit raise. Councilmember Harris asked to clarify how the merit raise worked, Councilmember Baer explained that in a corporate setting merit raises are based on performance and evaluations and if approved would allow department heads to have control on what percent to give to each employee, not to exceed 3%. Councilmember Smith asked Administrator Law how evaluations worked. Administrator Law explained the process of evaluations and reviews.

Councilmember Town moved, seconded by Councilmember Baer to approve a 3% COLA and up to 3% merit increase based on department head or supervisor recommendation and at City Administrator Law's discretion. Motion carried 3-2 (Thorvald McKiearnan and Kalee Smith voting no).

ADJOURNMENT

At 7:36 p.m. Councilmember Thorvald McKiearnan moved, seconded by Councilmember Kalee Smith and carried 5-0, to adjourn the meeting.

Approved:

Marty Southard, Mayor

Attest:

Jessica McGowin, Recording Secretary

Memo

To: Louisburg Governing Body
From: Nathan Law
Date: January 3, 2020
Re: Louisburg City Code Update - Continued

Background: This topic has been tabled a number of times in hopes of meticulously making changes as previously directed by Council and other appropriate boards/commissions. Available for review online is the draft code book, at <http://louisburgks.citycode.net>. In addition, staff provided under separate cover a copy of the redline draft version showing changes from drafts 1 through 10. There have been additional minor changes to clarify or correct inconsistencies, reference errors, etc. Changes in substance have focused on those directed by Council previously.

Financial: Publication costs for codification ordinance.

Legal: Approval and publication of ordinance are required for this process.

Recommendation: Discuss and direct staff accordingly. Approve the attached ordinance adopting the codification of ordinances of the City of Louisburg, Kansas.

(Published in the _____ on _____, 2020)

ORDINANCE NO. _____

AN ORDINANCE ADOPTING THE CODIFICATION OF ORDINANCES OF THE CITY OF LOUISBURG, KANSAS, PROVIDING FOR THE REPEAL OF CERTAIN OTHER ORDINANCES NOT INCLUDED THEREIN, EXCEPTING CERTAIN ORDINANCES FROM REPEAL AND SAVING CERTAIN ACCRUED RIGHTS AND LIABILITIES.

BE IT ORDAINED by the Governing Body of the City of Louisburg, Kansas:

Section 1. Adoption of the Code of the City of Louisburg, Kansas.

The codification of ordinances of the City of Louisburg, Kansas, prepared by Citycode Financial LLC, Wichita, Kansas, as set out in the following chapters, Chapters I to XVIII and Appendices A and B, all inclusive, and entitled the "Code of the City of Louisburg, Kansas," is hereby authorized, adopted and ordained as the "Code of the City of Louisburg, Kansas." The Code is authorized by ordinance and was made in conformity with K.S.A. 12-3014 and 12-3015 and amendments thereto. Said code shall be duly certified by the City Clerk. One copy of the code shall be filed in the office of the City Clerk and shall be designated as and shall constitute the official ordinance book. Three additional copies shall be filed in the office of the city clerk and shall be designated for use by the public.

Section 2. Repeal of general ordinances.

All ordinances and parts of ordinances of a general nature passed prior to January 6, 2020, are hereby repealed as of the date of publication of said code except as hereinafter provided.

Section 3. Same; excepting certain ordinances from repeal.

In construing this ordinance, the following ordinances shall not be considered or held to be ordinances of a general nature:

- (a) Ordinances pertaining to the acquisition of property or interests in property by gift, purchase, devise, bequest, appropriation or condemnation;
- (b) Ordinances opening, dedicating, widening, vacating or narrowing streets, avenues, alleys and boulevards;
- (c) Ordinances establishing and changing grades of streets, avenues, alleys and boulevards;
- (d) Ordinances naming or changing the names of streets, avenues and boulevards;
- (e) Ordinances authorizing or directing public improvements to be made;
- (f) Ordinances creating districts for public improvements of whatsoever kind or nature;

- (g) Ordinances levying general taxes;
- (h) Ordinances levying special assessments or taxes;
- (i) Ordinances granting any rights, privileges, easements or franchises therein mentioned to any person, firm or corporation;
- (j) Ordinances authorizing the issuance of bonds and other instruments of indebtedness by the city;
- (k) Ordinances authorizing contracts;
- (l) Ordinances establishing the limits of the city or pertaining to annexation or exclusion of territory;
- (m) Ordinances relating to compensation of officials, officers and employees of the city;
- (n) All charter ordinances;
- (o) Any appropriation ordinance or ordinances relating to a specific transfer of funds;
- (p) Any zoning ordinance or ordinances changing the zoning classification of any property within the city or amending the city's zoning map;
- (q) Ordinances of a temporary nature;
- (r) Any ordinance which is special, although permanent in effect;
- (s) Any ordinance, the purpose of which has not been accomplished.

Provided, that the above enumeration of exceptions shall not be held or deemed to be exclusive, it being the purpose and intention to exempt from repeal any and all ordinances not of a general nature and general ordinances specifically excepted by this section. Ordinances which are not of a general nature shall be numbered consecutively, approved by the governing body, published, and filed with the city clerk, but such ordinances shall not be prepared for insertion in this code, nor be deemed a part hereof.

Section 4. Arrangement of and notations throughout the code.

The arrangement and classification of the several chapters, articles, and sections of the code adopted by section 1 of this ordinance and the headnotes and footnotes at the ends of the sections, are made for the purpose of convenience and orderly arrangement, and do not constitute a part of the ordinances, and therefore, no implication or presumption of legislative intent or construction is to be drawn therefrom.

Section 5. Accrued rights and liabilities.

The repeal of ordinances as provided in section 2 hereof, shall not affect any rights acquired, fines, penalties, forfeitures or liabilities incurred thereunder, or actions involving any of the

provisions of said ordinances or parts thereof. Said ordinances above repealed are hereby continued in force and effect after the passage, approval and publication of this ordinance for the purpose of such rights, fines, penalties, forfeitures, liabilities and actions therefor.

Section 6. Severability.

If for any reason any chapter, article, section, subsection, sentence, portion or part of the "Code of the City of Louisburg, Kansas," or the application thereof to any person or circumstances is declared to be unconstitutional or invalid, such decision will not affect the validity of the remaining portions of this code.

Section 7. Effective date.

This ordinance shall be published in the official city newspaper and shall take effect and be in force from and after the publication of the "Code of the City of Louisburg, Kansas" as provided in K.S.A. 12-3015.

ADOPTED AND PASSED by the governing body of the City on January 6, 2020, and **APPROVED AND SIGNED** by the Mayor.

MARTY SOUTHARD, Mayor

ATTEST:

TRACI STOREY, City Clerk

CERTIFICATE OF THE CITY CLERK

State of Kansas)
Miami County)

I, Traci Storey, City Clerk of the City of Louisburg, Miami County, Kansas do hereby certify that said city is a city of the third class of the mayor-council form of government under the statutes of Kansas; that this codification of the general ordinances of said city and the publication thereof in book form were ordered and authorized by the governing body by ordinance and in accordance therewith is entitled the "Code of the City of Louisburg, Kansas," that said codification was adopted as the "Code of the City of Louisburg, Kansas," by the governing body by Ordinance No. 1111 passed on January 6, 2020, as authorized by K.S.A. 12-3015; that said ordinance and said codification of general ordinances as contained in this volume will take effect upon publication of 4 or more copies in book form; that the publication of 4 copies of this code in book form and said adoptive ordinance constitute due passage of this code and all general ordinances contained therein; that the codification and said adoptive ordinance as contained herein are true and correct copies; and that said publication imports absolute verity and is to be received in evidence in all courts and places without further proof as provided by K.S.A. 12-3015.

I further certify that the "Code of the City of Louisburg, Kansas," and the matter therein contained will take effect and be in force from and after _____, 2020 (date of publication of the codification ordinance in the newspaper).

TRACI STOREY, City Clerk

DATE: _____, 2020.

Louisburg's South Burn Site

To: Mayor and City Council
From: Craig Hufferd, Public Works Supervisor
Date: January 6, 2020
Re: Leaf burning

The leaf bin at the burn site has been a great success as there seems to be less leaf burning in town and the large number of leaves being dumped at the site. At the direction of City Council, Staff has researched other options for leaf disposal and recommends the purchase of a vacuum trailer to haul leaves from the site. Leaves would be hauled to Belton where they would charge \$30 a load.

A couple examples of debris loaders (attached):

Weibang Debris Loader

- \$7,198.00

Little Wonder Debris Loader

- \$18,256.00

Staff has looked at forced air burning which would require the purchase of expensive equipment, upwards of \$100,000+. Leaf composting is not a viable option due to federal and/or state regulations required and for Staff capacity to manage the sheer volume of leaves being left at the site.

Staff will present a final recommendation at a future meeting but wanted to provide this update to City Council.
