July 12, 2023

5pm

Those in attendance included board members: Mis Brummel, George Karnaze, Dennis DeShazer, Debbie Landau and Marcia Cook

City Staff: Jean Carder and Nathan Law

Mayor Donna Cook

The Fox Hall/Cemetery Board met to continue discussion regarding the addition of screening on the west side of the cemetery. Special guest Mary Knecht submitted a proposal to use the existing black metal fencing that is on the south side of the cemetery. The Board will be considering the replacement of this fence due to low visibility when exiting the cemetery. The proposal suggests using the fence to fill in between the existing ten trees that are on the west side of the cemetery. The Board was previously considering planting additional trees to provide screening between the cemetery and the commercial district to the west.

Marcia Cook made a motion to recommend to City Council that the existing black iron fence in the old section of the cemetery be relocated to the west side of the new section to be used as a barrier and run between ten existing trees. Possibly purchasing additional fencing as needed, as long as the cost is comparable to the previously discussed cost of adding trees. George Karnaze seconded the motion, and the motion passed 5-0.

At 5:29 pm, Mis Brummel made a motion to adjourn the meeting. Marcia Cook seconded, and the motion passed 5-0.
