**New Business:**

Mr. Thompson presented a topic for discussion on a display case for either Fox Hall or City Hall. There were many historical items retrieved during the excavation of Broadway during the revitalization project as well as during the renovation of Fox Hall. The chair of Fox Hall & the cemetery board have brought an idea forward to obtain a display case to store, preserve and share these items with the community. Options were discussed for having this either in Fox Hall or City Hall. Pros and cons for both were brought up. The City will look closer at both locations as ideas. Ms. Wilson suggested contacting Freedoms Frontier for grant opportunities as we are in the National Heritage area due to the Boarder Wars. After the meeting the group agreed to visit Fox Hall to get a better idea of the space.

Mr. Thompson presented training to the commission on the Kansas Historic Resources Inventory. Recommended we all register as users and look at the site and submissions for Louisburg and the surrounding areas. Anyone can submit information and we can use this as a repository for historic preservation sites.

Next meeting will be October 6, 2021.

**Adjournment:**

Ms. Wilson moved, and seconded by Mr. Sarver, and passed 3-0 to adjourn the meeting at 6:53 p.m. Submitted by Heather Wilson, recording secretary.
